An Important Message from Edgmont Township:

Residents of Edgmont are reminded there is no parking on streets or in cul-de-sacs. When the streets in the Township were designed, there was enough clearance for cars to pass each other or a car to be passed by an emergency vehicle. Parking on all streets or in cul-de-sacs in Edgmont is prohibited for your safety. Emergency vehicles must reach their destination quickly and cars left on neighborhood streets are in everybody's way. Please do not leave your cars on your street. If violations continue to persist, the Township may find it necessary to ticket offending vehicles.
